## **CONTRACTOR OF THE YEAR AWARDS PRESENTED BY NARI**

On Friday, December 14, 2007, N.J.W. Construction, Inc. of Fairfield County was awarded Contractor of the Year in a residential kitchen remodel \$30,000-\$60,000 through the Central Ohio Nari Chapter. The local Nari chapter uses an impartial 3 member panel of judges for the judging of projects. On January 21, 2008 N.J.W. was also awarded IV Regional Contractor of the Year representing Central Ohio for the same kitchen remodel. Judging for the regional awards took place at the Association's national headquarters in Des Plaines, Illinois, in mid-January by a panel of 17 judges evaluating 530 projects that were submitted. The judging for the local and regional CotY awards was based on problem solving, functionality, aesthetics, craftsmanship, innovation, degree of difficulty, and entry presentation. Contracts from seven regions around the country vie for the CotY Awards on an annual basis, and as a regional winner we will now be eligible for National CotY Awards at NARI's Evening of Excellence held in St. Petersburg, Florida on March 15, 2008.

N.J.W. is an award winning design/build Construction Company with extensive experience in custom new builds, renovations and remodels. We take the guess work out of any remodeling project with the use of our design team by providing to clients a 3-D computerized rendering of the finished product before the work begins; giving them a better idea of what the completed project will look like.

From the first consultation to the final walk-thru our Project Managers and Design Team are with the client every step of the way.

N.J.W Construction is proud to announce:
